Thanks... In my opinion, we need to set forth a clear and concise strategy that is well communicated. The BID district has a lot of positive assets, so let's utilize them and talk about them.

I may not be able to solve everything, but I will give it my best try.

I missed the last two BID meetings due to shooing the SS Petersburg for MARAD and a CUP hearing downtown.

I appreciate the opportunity to meet with you and Alan, but am curious as to why this meeting is being set up.

If there is anything you share regarding this let me know.

Thanks

Bruce

Jonathan,

I am fairly flexible (weekdays during the day is usually not a problem for me)... so pick a time that works for you and I will confirm.

If Alan is planning on attending the meeting, find a time that works for both of you.

Thanks

I am still waiting for an answer to this question.

What is the voting weight in the BID held by
Vincent DiMelio?

Alan

Vincent DiMelio is a board member listed as a
property owner but I can't dig up anything
about him on the web and he is not mentioned
by name in the Property Owners and Voting
Percentages list.

Can you let me know what he owns in the BID

so I can determine what his voting weight is?

I have found 17 of your properties in the list...
let me know if I missed any.

I see you own a couple of buildings on Ante
Perkov Way... the name of that street must be
an interesting story.

Thanks

Bruce Ecker
